

### English

During our English Sessions we will be reading 'Claude on Holiday' By Alex Smith. Through talk for writing, we will be learning the text 'Claude and the Pirates' and focussing on character descriptions. This will lead us on to write our own character descriptions. Later in the term, we will be learning the text 'Pirate Pete's island' in order to learn the structure of a re-count. We will use to write our own re-count about a trip to the beach.

### Science

We will be looking at seasonal changes and taking part in some outdoor learning. Comparing weather and temperatures.

We will be re-capping our learning on the different animal groups.

### Computing

This term, we will be programming animations. The children will discover that they can move a character on screen using commands and also program more than character.

## Year 1

### Term 6 Curriculum Newsletter

#### Topic: Pirates/seaside

**RE:** We will be learning how we can care for others and the world by looking at examples from different faiths and the views of non-religious people.

**DT:** We will be designing and making a pier, which will need to support a Lego figure.

**History:** This term we will be learning about seaside holidays from the past and will look at pictures to give us clues about the past.

### Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Thank you.

#### Reading Record book:

It is important that the children read for a short time every day and bring their reading records back into school each day. Books will be changed on a weekly basis.

### Maths

We will be sequencing events using language such as before, after, yesterday, today, tomorrow. We will also learn about the days of the week, months of the year and how we measure time. Also we will learn to tell the time to the hour and half past.
