

## English

During our English sessions, we will be reading 'Claude on Holiday' By Alex Smith. Through talk for writing we will be learning the text 'Claude and the Pirates' and focussing on character descriptions. This will lead us on to write our own character descriptions.

Then We will be focusing on speech and dialogue this term. Basing our learning on 'The Three Little Fish.'

## Science

We will continue to look at the changing seasons and thinking about how the weather and lengths of day change too!  
As well as identify and name a variety of common wild and garden plants, including deciduous and evergreen trees.

## Computing

We will be exploring coding.

## Year 1

### Term 5 Curriculum Newsletter

#### Topic: Seaside

## Home Learning

**Reading Record book:** Please ensure this is in school every day.

It is important that the children read for 15 minutes **every day**. Read 5 times a week for one raffle ticket, read over this and win more!

Please also ensure your child is using 5 minute maths - they can look at shape, position and measure this term.

## General Information

**Staff:**, Miss Blackman, Miss Cattermole, Miss Isden, Mrs Hicks, Miss Tabib, Miss Hallam, Mrs Wade

**PE Kit:** Your child will need their PE kit every week.

Please ensure this is named. Year one will have their PE Sessions on a rotation with Mr MsGowan on Tuesdays as well as a session in the week with their teacher.

## Topics

**RE:** We will be following our whole school theme of 'Belonging' and learning about Baptism.

**Music:** We will be having music lessons with Ms Watson, learning how to compose music with instruments.

**Art:** We will be studying the artists John Piper and Kirstie Adamson who both use collage to create art work. We will then create our own seaside themed collage.

**Geography:** We will be looking at the Seaside and why we love to live beside the sea.

**PSHE:** We will be focusing on being Healthy and what we need to do to stay healthy.

**RSE:** We will be our right to be protected from diseases and our responsibility to protect others around us.

## Maths

In Maths, we will be exploring fractions and beginning to look at division and multiplication.
