

English

In Writing this term, we will be creating our own stories based on the book, **The Tear Thief**. The focus for the story will be action and characterisation.

We will also be writing a persuasive letter for the Big Bad Wolf to try and persuade him not to be bad any longer.

Year 2

Term Curriculum Newsletter

Famous Queens

Theme

Art: This term, the children will be learning about collage. We will look at artists that use collage.

History: This term we learning about the three significant queens in British History - Queen Elizabeth I, Queen Victoria and Queen Elizabeth II.

R.E: We will be thinking about the big question 'What is the good news that Jesus brings?'. We will be looking at peace, friendship and forgiveness and initiatives that are local that represent these values.

Science

This term, we will be undertaking investigations that include finding out where we can find mini beasts in our school environment, adaption and thinking about the big questions of nature. We will learn about Charles Darwin and his importance in the science world.

We are also being courageous advocates and thinking about how we can look after our school environment.

Home Learning

Please continue to support your child at home with daily reading. Remember 5 reads per week is rewarded with 1 raffle ticket, 6 reads with 2 tickets and 7 reads with 3 tickets.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Classroom door open at 8:40 and the register closes at 9. Thank you.

Maths

This term we will start by learning how to tell the time. We will revisit o'clock and half past times and will move on to telling the time to the nearest 5 minutes.

We will also be revisiting addition, subtraction, multiplication and division. In number we are encouraging the children to draw representations of tens and ones to help them find the answer.

Please support your child in their maths learning at home by allowing them 15 minutes per week on Numbots or Timestable Rockstars.

Computing

In Computing this term, the children will be learning how to program quizzes using Scratch Junior. This is a fun and interesting introduction to coding and we are looking forward to the children's creations.

General Information

Staff: Miss Godden, Ms. O'Donnell. Mrs. Hodgson, Mrs Smith

PE Kit: Your child will need their PE kit every week. PE days will change throughout this term so please ensure their kit is in school.

Sports Day is on Thursday 12th June.

PSHE

We will be learning about Relationships in PSHE this term. We will be learning about defining our relationships with our friends and family. We will also be exploring how to keep ourselves safe, and how to independently resolve conflict.

RSE

In our RSE lessons, we will be thinking about different types of touch and how we can be in control of our bodies.
