# Attendance

"ALWAYS STRIVING TO BE BETTER"

**8 classes had their attendance at or above 95% this term.**

Overall school attendance this term is **94.2%** which is below the national average of **95.3%** to date.

We are committed to providing every child with the best possible education. One of the most important factors in achieving this is regular and punctual attendance. When children attend school consistently, they benefit from the full learning experience, build strong relationships with their peers and teachers, and develop routines that support lifelong success.

**A big well done to all 8 classes that have an attendance at or above 95% so far this term and to the 10 winning attendance raffle winners!**

## Christmas Craft

Olivia 6CW

This term has been full of wonderful experiences during extended school sessions. To promote healthy eating we created a Grinch platter. We created winter animals using various art materials. As a treat the children created 'Elf mix' with sweets, raisins, and popcorn.

To finish the term off we had our annual Christmas party. 🎄🎅

Thank you to all the children who have attended Extended Schools in 2025  
Lets see what's going to happen in 2026

Merry Christmas and Happy New Year from Extended Schools Team

" Coming to school on Saturday was a fun filled morning , we made candy cane reindeers , yule logs , Christmas cards and a gingerbread man hand puppet . There was also a Christmas photo booth with crazy hats to wear . For snack we had elf biscuits and hot chocolate . To end the session, we watched a movie with popcorn. during the morning, I was never bored , there was always something fun to do . I really enjoyed playing in the fake snow!" Olivia in 6CW

## Lunch in the Nursery

The Nursery children thoroughly enjoy lunchtimes and have settled into a well ordered routine- first , they wash their hands, then they collect their lunchboxes and water bottles. Lastly, they find their seat.

Their behaviour is impeccable and we love seeing what's in their lunch boxes which has included- olives and smoked salmon and cream cheese bagels! Some of our 3- 4 year olds joined the main school for Christmas lunch- which didn't phase them in the slightest!

# Reception

"LET YOUR LIGHT SHINE"

The children thoroughly enjoyed taking part in their first nativity. They were exhausted by the second performance. There are definitely budding actors and singers amongst the children. Thank you to all the parents for providing such great costumes.

# Year 1

"LET YOUR LIGHT SHINE"

The Year 1 children worked their socks off to learn songs and the Nativity story this term. We were so proud of the children and how well they performed the story of Christmas and we hope all the parents who were able to come and watch enjoyed it as much as we did.

Miss Godden

We liked our grown ups watching us!

We enjoyed the Christmas story and the lights

# Year 2

"LET YOUR LIGHT SHINE"

## *The Story of Christmas*

Our Year 2 classes shone brightly in their Nativity performance while narrating, signing, singing and playing a variety of musical instruments. We are very proud of them all. Well done!

I liked the lights and I also liked the songs  
Hugo

I liked all the songs and the actions.  
Isaac

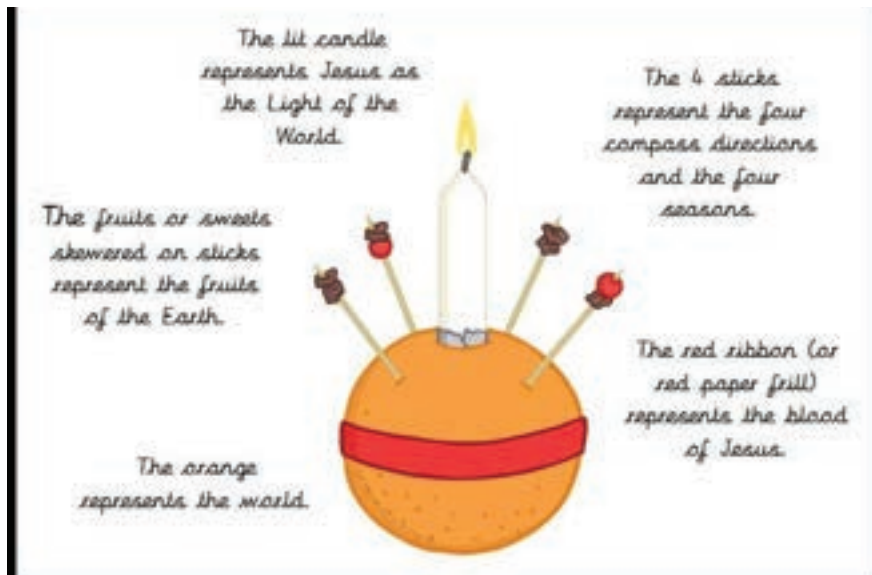

# Year 3

"LET YOUR LIGHT SHINE"

## Christingle

I loved the song "The Christingle begins with an orange" Harry and Archie in 3GH

The children loved making the Christingle oranges and I have to say they were so sensible with the sweets and left them intact until after the service.

Making a Christingle involves decorating an orange with a red ribbon, four cocktail sticks with sweets (representing seasons/creation), and a foil-wrapped candle (representing Jesus, the Light of the World) in the top, symbolising the Christian story for Advent services.

## Wonderful End to the Christmas Term

Our final day of term concluded with a beautiful Carol Service at St Matthew's Church, led by our talented Year 4, 5, and 6 children. The singing was magical; the Choir captivated everyone, and Dance Club added grace and elegance to the Christmas Service.

We are incredibly proud of our children and the many talents they share with us.

I really liked the group bit- it required coordination and trust for the lift.

I liked the different parts of 'Silent Night'.

# Year 6

"LET YOUR LIGHT SHINE"

## Courageous Advocacy Day

Year 6 decided to raise money for **Action for Children's Secret Santa**. We talked about what made this time of year special for us and what it must be like for those who are less fortunate. That is why we decided to raise money for the Secret Santa.

On **Friday, 5th December** we spent the whole day making bracelets and decorations that were to be sold for 50p each (in total we made £403!) We sold the Christmas goodies for a whole week, going to classes after lunch. They were really popular and we sold out completely!

## Design Technology-Cam Movement

We made a moving snail- the shell opened- a cam movement is a mechanical system where a rotating part (the cam) pushes a contacting part and creates an 'up' and 'down' movement.

**Years 5 & 6 Girls' Football Team**

The Yr 5/6 girls had a warmer afternoon playing in the friendly tournament at St Leonards, organised and ran by Mr McGowan.

The girls played some great football and it was nice to see them implementing some of the things we've been working on in training into their games.

They remain undefeated, drawing 3 games 0-0 and winning 3 games; 1-0, 1-0 and finished off strong with a 3-0 win.

The year 3/4 girls faced the cold today and took part in a small friendly tournament at SLA organised by Mr McGowan.

## Glyndebourne

When we performed, I felt so excited as we got to perform in front of my mum and many others! I will remember it all my life because of how amazing the experience was for me. If I had the chance, I would do it all over again.  
Poppy Barnes

Year 6 have been taught by teachers from Glyndebourne Opera how to sing and create song to perform with the Glyndebourne chorus at a concert. We learnt part of Handel's Messiah and we made a song using lots of ideas from us children. Our song was called **"Listen to Your Heart"**, it was about making the world a better place and stopping war.

Mrs Goodsell

## One Voice- De La Warr Pavilion

Glyndebourne Opera have hosted several concerts with over 2,400 young singers from schools across East Sussex and Brighton & Hove as part of the One Voice Festival of Singing 2025, in partnership with Create Music.

The choir of young singers came together alongside a soloist from The Glyndebourne Chorus, to sing festive songs on the Glyndebourne stage, at The De La Warr Pavilion. Performances at Glyndebourne will feature the full Glyndebourne Chorus and members of the Glyndebourne Sinfonia.

Miss Watson took 30 children to the De La Warr on Tuesday 16<sup>th</sup> December to perform with 6 other local schools as well as the Glyndebourne Orchestra and the mezzo soprano-Rhiain Taylor.

The children sang beautifully in 4 different languages- Arabic, Bulgarian, French and English as well as learnt to sign the

# Safeguarding

*"LET YOUR LIGHT SHINE"*

*Safeguarding Children over the Christmas and New Year period*

This time of year provides additional challenges for schools and education providers, when it comes to monitoring the wellbeing of children in our care. December always sees a spike in safeguarding issues and every year the NSPCC report increasing numbers of children calling them for help, with a large number exposed to domestic and substance abuse. The festive period is also a common time for children to be abused by a relative, other children or close family friends who visit during over Christmas and New Year.

## **Lifelines and Support Networks**

- The NSPCC are here to help 24/7 and children can call their Childline number on 0800 1111
- ThinkUKnow – links to various sites

- Talking to your child about online sexual harassment: A guide for parents – This is the Children's Commissioner's parental guide on talking to their children about online sexual harassment
- Anti-Bullying Alliance – Detailed information for anyone being bullied, along with advice for parents and schools. Signposts to various helplines and websites for further support

# Safeguarding

"LET YOUR LIGHT SHINE"

## Safeguarding Children over the Christmas and New Year period

Safeguarding children over the festive period can pose particular challenges for several reasons.

### Here are some of the key issues faced:

- Increased stress or family tensions
- Christmas can bring added financial strain, family pressures, or emotional stress. This may exacerbate existing family tensions, leading to situations where children might be at risk of neglect, abuse, or harm
- Disruption of routine and isolation
- School holidays can disrupt children's regular routine, leaving them with more unstructured or unsupervised time. This could lead to situations where they spend more time in potentially unsafe environments, including online, or with individuals who may pose a risk to their safety
- Children can also feel cut off from their usual support network of trusted adults and friends. Neglected or abused children can experience extreme loneliness, anxiety, or depression
- Increased vulnerability
- Some families might face difficulties during the holidays due to various factors such as financial and emotional strain, mental health issues, or substance abuse including excess alcohol. Children in these families might be more vulnerable to neglect or abuse during this time
- Reduced access to support services
- During the holidays, some support services, including schools or community organisations, might be closed or operating at reduced capacity. This can limit the resources available to children who may need help or intervention
- Cultural or religious factors
- Different cultures or religious practices might impact how families celebrate the holidays, potentially influencing the ways in which children are cared for or supervised.
