

English

In English, we will be focusing on 'The Canal' (Talk for Writing'. The children will be working on: setting description, to go into their story. They will be story mapping, which will lead to them writing their own version of 'The Canal'.

For the last week of term, we will be looking at a variety of non-fiction texts, focusing on Informative writing and creating a class information book which will continue into Term 4.

Science

In Science, the children will be learning about Sound. They will explore how sounds are made, recognise patterns and take part in practical experiments to explore how sounds travel.

Computing

In Computing, we are programming and repetition in shape. All children will explore debugging as well as develop their own instructions to produce a section of a programme.

Year 4

Term 3 Curriculum Newsletter

Sustainability

Theme

Geography: we will be exploring, 'How and why can we live more sustainably?'

French: we will be learning about transport.

Music: Children will continue to learn to play the Recorder.

Art/DT: The children will be making pop-up books looking at the different joins and Mechanisms.

Home Learning

Your child will receive three homework projects like last term.
and Times Tables Rock stars!

Attendance

We take attendance very seriously at St Paul's.
Please ensure your child is in school EVERY day and on time. Thank you.

Maths

Multiplication and Division

Children will be using their knowledge of times tables to find the inverse (division). As well as this, they will be using written methods to multiply and divide larger numbers.

Continue to learn your Times Tables weekly.

General Information

Staff: Mrs Lawson, Miss Shackel, Miss Bishop, Mrs McCullough, Miss O'Brien, Miss Howard and Miss Wickham.

P.E. Kit: Your child will need their PE kit every week. PE is on Wednesday and Thursday

Reading Record book: Please encourage your child to read and record at least three times a week. We expect these planners in school every day.

PSHE/RSE

This term, our focus will be on our hopes, dreams and goals. We will be discussing children's goals, in and outside of school, and setting their own personal challenges. We will also be looking at their dreams for the future.

We will have a focus on online safety and cyber bullying.

We will look at body changes during puberty and to judge what kinds of physical behaviours and contact are acceptable and unacceptable and ways to respond.
