What is coastal erosion?

Theme: Coastal Erosion

RE: This Term our RE topic is what it means for Christians to believe that God is holy and loving.

Art: Seascapes, painting and collage. Creating colour palettes based on both the natural and, manmade world.

French: Me and others: singular 'être' and regular adjectives.

Music: Ukulele lessons with Miss Watson.

Geography: Our focus is on the coastlines of the UK. We will be looking at how coasts change and what can be done to stop erosion.

Science

In Science this term, we are studying animals including humans. We will look at the stages of human development, changes during puberty and changes in old age.

Home Learning

Complete Times table Rockstars regularly, we will give out challenges to the children when they are appropriate.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Thank you.

Maths

We will be focusing on embedding our place value knowledge. We will be comparing, partitioning and ordering numbers up to 1 000 000. We will also be rounding numbers to various decimal places as well as studying negatives numbers in every day situations.

Computing

In Computing we will be looking at databases. This unit introduces children to databases beyond branching databases. Children will create their own databases as well as query existing databases to find information that they are being asked for. By the end of the unit, children would have explored single and multiple table databases to solve problems.
